

Located on the southern tip of tranquil Harbour Island is SouthBar Club, an exclusive, private paradise. Our members-only community encompasses 117 acres of tropical forest, with frontage on both the Atlantic Ocean and the bay between Harbour Island and Eleuthera.

Our casual and charming, yet luxurious hideaway was founded in 1978 by a small group of investors from the Midwest. The task of building a tropical getaway on a small, remote island in the Bahamas has been a dream come true.

The SouthBar community consists of member's private homes, The Manor House and Dock House, along with a private dock. You will also find common-area facilities including tennis courts, off-road trails, hiking trails and of course, our world famous pink sand beaches.

Members have private access to the bay side, where beautiful sunsets will grace you every evening. You will also be able to enjoy the beautiful sunrise over the Atlantic Ocean from the patio of The Manor House.

We have a full staff of cooks, housekeepers and gardeners, as well as a manager to help you enjoy a simple and relaxed lifestyle at SouthBar Club. There's no better place on earth to really get away from it all! Come see what makes SouthBar Club a destination that families have returned to for generations.

The Manor House is the perfect place for club members to gather for meals, meetings, socializing and relaxing. Built in the 1950's, The Manor House was constructed on the crest of the land to obtain maximum breezes and enjoy the tropical beauty of the bay. Members and guests frequently gather at The Manor House at sunset for cocktails before dinner. Both The Manor House and Dock House have rooms available to rent to friends of our members.

Harbour Island's pink sand, blue skies and turquoise water truly make it a wonder to see. Conde Nast Traveler considers the award-winning beach "quite possibly one of the finest beaches in the world".

Although it is just three miles long and a mile wide, there are plenty of activities available on or near Harbour Island for those seeking adventure. You can choose from boating, deep-sea fishing, snorkeling, scuba diving and more. Not to mention, you will find plenty of nearby shopping, including local straw vendors, art galleries and gourmet dining. Visit the original capital of the Bahamas, historic Old Dunmore Town, with pastel colored clapboard houses, narrow streets, quaint shops and the colorful, well-kept gardens.

If you are interested in learning more about becoming a member of the SouthBar Club community, please contact us at our website and choose SouthBar, then membership.
